

REYNOLDS MINISTRY FUND

OF THE UNITED METHODIST FOUNDATION OF WNC, INC.

The Royce and Jane Reynolds Ministry Fund of the United Methodist Foundation seeks to support innovative initiatives that will invite new believers into a relationship with Christ.

Disciples are made when we:

- Proclaim the gospel, seek and welcome and gather persons into the community of the Body of Christ
- Lead persons to commit their lives to God through baptism and profession of faith in Jesus Christ
- Nurture persons in Christian living through worship, the sacraments, spiritual disciplines, Christian Education/study and other means of grace
- Send persons into the world to live lovingly and justly as servants of Christ by healing the sick, feeding the hungry, caring for the stranger, freeing the oppressed, and working to develop social structures that are consistent with the gospel

Can you measure success? Yes! Success is measured in expansion of God's reign and in the transformation of individual lives beginning with making a commitment to Jesus Christ. If you receive a grant from the Royce and Jane Reynolds Ministry Fund, you will be asked to report back to us as we believe accountability is central to our faith journey. If you receive a grant, you may be asked about scheduling a site visit.

*If you can't measure it,
you can't manage it.*
