The Income Only Fund is a fifth option, invested in cash alternatives and re-valued monthly. Consider it for funds you may need in the short-term or have zero tolerance of risk. The administrative fee for this fund is fixed at 0.25%.

What funds can we have managed?

Funds for reserves, buildings, improvements, programs, pastoral housing, missions, cemeteries, projects, and endowments – all manner of funds are under the Foundation's management.

*Recommended Spending Policy for Endowments in the Diversified Fund

Our recommended spending policy of 4% helps clients ensure that funds will be available into perpetuity for ministry. The Foundation follows this spending policy for our own permanently restricted endowments and recommends this to our clients. Clients always retain control of their funds, however, and have the freedom to utilize whatever spending policy best helps to meet their financial needs.

How many accounts may we open?

There is no limit to the number of accounts you may open. Many clients hold multiple accounts in one or more of our managed funds. Multiple account holders can enjoy consolidated statements.
